

HABU BOWS

PRICE LIST – Effective Through June 2008

ORDERING INFORMATION:

To order a new Habu Bow fill out and submit an order form or call Habu Bows at 208-664-0667. Because of high demand, your name will be placed on a waiting list; no deposit is required at that time. When your name reaches the top of the list, you will be contacted for final order details and payment in full will be required at that time. Order fulfillment will be accomplished 2 to 3 months from date payment is received. Payment not received within 10 days of notification is subject to forfeiture of placement on the waiting list. Lead time on the waiting list will vary, however we continually take steps to keep it to 12 months or less. Expedited delivery will no longer be offered.

Beginning in 2008, Habu Bows will streamline its product line; offering the VyperKahn Longbow or Hycurve models in the carbon/IKAHN series only. By focusing on the highest performing and finest quality bows we've ever made, we will better and more efficiently serve you and effectively reduce our lead times. Please reference the charts below to identify descriptions, features and pricing.
